Welcome to Falkenberg!

The pretty little town of Falkenberg is conveniently located on the west coast of Sweden with easy access from international airports in Gothenburg and Copenhagen. Its long sandy beaches, unique salmon fishing and picturesque environment makes Falkenberg a popular holiday spot for visitors from all over the world. Although small enough for everything to be within walking distance, Falkenberg can offer a range of choices for eating and shopping. All this makes Falkenberg perfect as location for international events and The Swedish Kendo Federation is proud to welcome you here for the 14th European Jodo Championships on the 19th to 20th of September, 2015.

Grand Hotel

The classical hotel Grand by the river Ätran is the official hotel for EJC 2015 and also host for the Sayonara dinner. Grand Hotel (4-star rank) provides comfortable 1 to 4-bed rooms, generous breakfasts and a beautiful view over the river and the lush green park Vallarna.

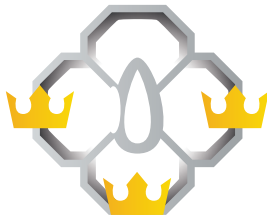

The arena – Falkhallen – is situated in the centre of Falkenberg and within 5 minutes walking distance from Grand Hotel and was built only a couple of years ago. With a main hall of over 2000 sq.m., floating wooden floor, good climate control, generous service areas and a café, Falkhallen is an ideal venue for a successful and comfortable European Championship.
